

Courtyard Bistro Launches Xi'an Food & Cultural Festival

June 12, 2016, Beijing—This summer, the Courtyard Bistro at Beijing Red Wall Garden Hotel announces the launch of **Xi'an Food & Cultural**, presenting a feast of taste and culture from Northwestern China.

Red Wall Garden Hotel under the operation and management of **STEM™**, a True Boutique Hotel Management Company headquartered in Miami, U.S.A. Robert Van Eerde, the CEO of STEM™, expresses his vision of creating this unique food and cultural festival, "We would like to make full advantage of our resources and bring the delectable range of local delights and an unparalleled dining experience to food and cultural lovers in Beijing without the need of travelling around in China."

The Food & Cultural Festival showcases the richness and diversity of the Shannxi culinary and cultural landscape. During the festival, our guests will enjoy a range of typical Xi'an dishes during their lunch and dinner dining, featuring the world famous Cold Noodle (Liang Pi), Chinese Hamburger (Rou Jia Mo), and Steamed Mutton, just to name a few. There will also be a variety of drinks inspired from Shannxi favorites all with a modern twist. During the Festival daily Lounge Bar Promotions will take the customers on a journey through Shannxi style drinks, featuring the famously produced Xi'an Locally Brewed Sweet Wine and also other non-alcoholic beverages. In addition the team of Chefs will hold Cooking Classes every other day preparing local Xi'an dishes. Customers attending the cooking classes will be able to take home the recipe for the dishes that are prepared.

This event is also a celebration of Shannxi local culture. To add to the authenticity of the event, every day from 19:00 to 21:00, the Courtyard Bistro will host traditional cultural performances, including Shadow Play, Shannxi Opera and Folk Music Play, all of which are interactive in nature. Diners will have the chance to mingle with the performers and enjoy traditional shows and music whilst enjoying their evening meals. For the duration of the Festival The Red Wall Garden Hotel will also host a Cultural Tour of artists and artworks on Shannxi folk culture throughout the property.

The festival kicks off between June 27th and until July 6th. Entrance is free.
